Michael / Emily Hobbs Audition Song

There Is A Santa

Michael:

I saw a tiny sleigh, make it's tiny way
Right across the sky
There wasn't time to think
There wasn't time to blink
Before it zoomed right by
And everything I knew I knew,
And everything that you knew too
Is absolutely now untrue, because
Without a doubt there is a Santa Claus!

Emily:

I just saw him too, yet my whole life through
He seemed fake to me
Couldn't Santa see what a fantasy
He appears to be
And everything I thought I thought is tangled up in one big knot
The world out there has clearly got its flaws -

(Together) If they can't say there is a Santa Claus!
