

## **Song : Mayzie La Bird**

Think of an elephant up in a tree  
Think of a person too tiny to see  
Think of a bird with a one-feather tail  
Going on adventure down a dangerous trail

Think of a bird who flies off on a spree!  
Think of a kangaroo, sour as can be  
Think of some monkeys with trouble in store.  
Think of something horrible and hairy,  
Something sinister and scary,  
That you never dared to think of before!
